

# PROMISE: Every Child in Dubuque County will have caring adults in their lives

## Priority Areas

Caring Relationships are the community expectation

## Targeted Outcomes

- Every child has at least one caring adult in his or her life
- Employers, government, neighbors and organizations have:
  - Family-friendly environments
  - Engaged, reciprocal relationships with youth

## Strategies

- Expand access to services and learning that link children to adults
- Develop community awareness regarding the importance of caring adults
- Support a coordinated approach to increase the number of trained mentors
- Define, gather and maintain community data on the presence of a caring adult in every child's life
